

Decision Chart

Use this flow chart to assist with selecting the most suitable assessment package for the child.

Features of our assessment packages:

- Reports for learning issues are also written by trained and experienced teacher-psychologists.
- Report recommendations are written for the school system with an emphasis on strategies for teachers.
- We do not charge for report writing.
- We can often attend a school meeting for no charge or a nominal fee.
- We consult with the school when evaluating a child.
- We do not charge for brief phone calls to discuss the report with other relevant people (E.g., non-custodial parent).
- Assessments are for ages 4–18.
